What [User](#) likes about Lima Bistro: Great food. It's fantastic, too. The ambiance is top. The only thing I really hate is that the service is some kind of american style distorted as pavlov dogs. Hello how are you i here to serve you with so much plastic fake smile. The servants are of nice, sweet people who don't need that fake thing at all! [read more](#). In beautiful weather you can even be served in the outdoor area, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. Admirable is this small yet fine **Bistro**, not only for its ambiance, but also for its range of typical, delectable dishes usually at affordable prices, It's possible to chill out at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks. The kitchen of the Lima Bistro also offers many international menus, The inventive fusion of different menus with fresh and partially daring ingredients is highly valued by the customers - a good example of Asian Fusion.
